HQMC DMS LCC Team:

I am pleased to recognize the HQMC DMS LCC Team as one of this year's recipients of the DMS Local Control Center of the Year Award. I want to personally thank each team member for their outstanding contribution in making the Defense Message System operational for the Marine Corps. Your team's efforts are vital to the transition from AUTODIN to DMS.

Your outstanding initiative, tenacity, and professionalism have made DMS a true success story for the Marine Corps and the Department of Defense.

Thanks for a job well done!

Sincerely,

HARRY D. RADUEGE, JR.
Lieutenant General, USAF
